### **FAQ'S**

- *So what do they 'really' wear?* Most students wear a khaki pant (NO CARGOS), and an Elder polo and DRESS SHOES.
- *What kind of dress shoes should I buy?* There is a link to acceptable forms of shoes on [www.elderhs.net](http://www.elderhs.net) under the Dress Code tab. Sperry's are acceptable.
- *How many polo shirts do I need to buy?* I usually tell moms 4 polos are sufficient if you do not do laundry during the week. Most Fridays (but not all) are a "Purple Friday" and students can wear school spirit wear.
- *What color polo do they usually wear?* This question is a little tougher. I tell parents the ratio is about 60/40 leaning towards purple.
- *What size should I order?* In our experience, as the kids age, their "polo size" does not change substantially (although they do grow and your food bill gets bigger). By the time they are seniors MOST students prefer the tighter polo's, the trend right now is slimmer and not as bulky as the grade school look. The polos are a 60/40 cotton/polyester blend and do not have a lot of shrinkage associated with them.
- *Do I need to buy gym wear?* We offer shorts and t-shirts as an option. They are not a mandatory purchase. Students will be "dressing" every day for class. Shorts and t-shirts are required along with some sort of gym bag to carry clothes to and from class.
- *What if I order the wrong size?* If at that time you think you have ordered the wrong size we can exchange them. I will exchange anything that has not been worn and laundered.
- *Where do I pick up if I Pre-Ordered?* There will be a designated area in the CAFETERIA IN THE MAIN BUILDING where your orders will have already been filled and ready on SCHEDULE PICK UP DAY. We welcome you to the Spirit Store to see all the new selections; we will be open both days, hours and times TBD.
