

DRESS CODE & UNIFORM INFORMATION

The Elder Dress Code can be found on the elderhs.net site under Student Handbook.

The full dress code is listed on page 23.

We offer the dress code polo and other related items in store on a year-round basis.

- You may shop in the store during regular store hours. We are open during the summer on select days. Please visit the website to view our normal hours of operation.
- You may order online at www.shopelderhs.org
There are 2 ways to receive your order.

1~ If you chose 'delivery' option, we will ship your items to your home at the USPS charge which will be reflected with your order total. An email will be sent with a tracking number. These orders will be filled with current stock on hand and shipped during our normal business hours.

2~ If you chose 'instore pick up' option, your items will be available for pickup in the spirit store during normal business hours; however, please wait until you receive a CONFIRMATION OF PICK UP email.

We carry most dress code items year-round, but do replenish stock the first week of August. Our polo shirts are a special order from an out-of-town vendor. Once my current stock is depleted, new stock will not arrive until August before school starts. If you have place an online order and our current stock is depleted, your order will be filled first when the new shipment arrives in August.

We will be open for the following four days prior to the start of the school year for your shopping convenience.

- Tuesday, August 7th, from 3 pm – 8 pm
- Wednesday, August 8th, from 9 am - 2 pm
- Thursday, August 9th, from 3 pm – 8 pm
- Friday, August 10th, from 9 am – 2 pm

FAQ

- *So what do they 'really' wear?*
 - Most students wear a khaki pant (NO CARGOS), and an Elder school polo and DRESS SHOES.
- *What kind of dress shoes should I buy?*
 - There is a link to acceptable forms of shoes on www.elderhs.net under the Dress Code tab. Sperrys are acceptable.
- *How many polo shirts do I need to buy?*
 - I usually tell moms 4 polos are sufficient if you do not do laundry during the week. Most Fridays, but not all, are a 'purple Friday'; at this time students can wear school spirit wear.
- *What color polo do they usually wear?*
 - This question is a little tougher. I tell parents the ratio is about 60/40 leaning towards purple.
- *What size should I order?*
 - In our experience, as the students get older, their 'polo size' does not change substantially (although they do grow and your food bill gets bigger). By the time they are seniors, MOST students prefer the tighter polos, the trend right now is slimmer than and not as bulky as the grade school look. The polos are a 60/40 cotton/polyester blend and do not have a lot of shrinkage associated with them.
- *Do I need to buy gym wear?*
 - We offer shorts and t-shirts as an option. They are not a mandatory purchase. Students will be 'dressing' everyday for class. Shorts and t-shirts are required along with some sort of gym bag to carry clothes to and from class.
- *What if I order the wrong size?*
 - If at that time you think you have ordered the wrong size, we can exchange them. I will exchange anything that has not been worn and laundered.
- *Where do I pick up if I Pre-Ordered?*
 - Please see above.
- *What do they really wear on cold days?*
 - Most students prefer the quarter zip pullover option, and we sell many options in the Spirit Store. We have a value priced item that is popular with the students.
