

Dear Parent,

We are excited to announce that as of July 1, 2016 you will be able to put money on your child's meal account over the internet 24 hours a day, 7 days a week using PayForIt.net. This replaces EZ Pay, our previous vendor. Families who were using EZ Pay will need to set up a new account Pay For It. Your account balance from last year will be available after you set up your account.

By logging onto [www.payforit.net](http://www.payforit.net), you can easily:

- Set up an account
- Deposit money at your convenience into your child's Cafeteria account
- Set email reminders to notify you when you child's account gets low
- Set up recurring payments for your child's Cafeteria account
- Check your child's Cafeteria account balance
- View an activity report so you can see what your child has eaten in the previous 30 days

To set up an account, all you will need is:

- A valid email address
- A credit card or ACH Check Information
- Your child's student identification number

Each child in your family can be set up on the same account. If you decide to put money on your child's cafeteria account or pay a student Fee, there is a convenience fee of 3.9% per transaction for Visa/MasterCard or \$1.75 for Electronic Check. Once the money is put on the account, it typically appears in your child's lunch account in 2 hours and student fees are paid right away.

Best Regards,

Barb Maret  
Elder Café Manager
